MOST DANGEROUS PLACE

A Veritable Death Trap in a Fourth Street Sidewalk

In East Fourth on the South side of the street opposite the Magnolia Mills there is a death trap that needs attending to without delay.

Occupying a portion of the pavement is a deep cistern half full of water; it has a board top with an opening large enough to admit a full-grown man.

For a covering over the hole is a thin piece of tin that is no protection whatever.

That some child had not lost its life by falling into the cistern is simply a miracle.

A stranger passing that way, and especially after night, would almost to a certainty step right into it.

This dangerous opening belongs to the house adjoining Miss Emma Campbell's property, and the owner should not delay a minute in placing it in a safe condition and not let it remain as it is, a menace to life and limb.

If the Mayor or Chief of Police will take the trouble to make a personal inspection of the premises, their good judgment will not permit for an instant such a death trap as that undoubtedly is.

WANTED—BADLY!

Some Nice Party to Help Enjoy An Up-To-Now Home

The Help problem is right up to every person who has the desire to continue living, instead of lying down to dreams of an everlasting peace in the Cemetery.

There is at least one small family in Maysville who would like to engage the company of a lady who thinks she can adapt herself to the surroundings.

This family, from a somewhat lengthy experience, has acquired the eat habit, and for as much as sixty years, when not otherwise prevented, some of its members have been accustomed to three meals a day; but to accommodate circumstances to the occasion, the number of feedings might be reduced.

The owner and occupants have provided carpets and matings for rooms, stairs and hallways; but hardwood floors can be substituted for these if desired.

The parlor contains an ordinary piano of about 7 octaves, which can be changed to 7½; and if the lady desires, a Chase & Baker player will be installed to lighten her musical turn.

In the library she can just revel in fiction—the Congressional Record, for instance,—with a liberal supply of Patent Office reports on the side.

The bath and toilet-rooms have hot and cold water, and Penre's Soap is used exclusively.

There are ample grounds, well shaded, and a \$4 and 62½ cent hammock always hangs on the porch.

The hours for rising and retiring run the gamut from 6 a. m. to 10 p. m., with an occasional snooze between, for which "cozy corners," divans and rocking-chairs are at hand, with pillows and spreads to match.

Nothing but distilled water is used, except for washing, and that is charged with atoms of roses.

The dining-room is reserved for eating,—and the dishes,—and meals may be served whenever the lady can spare the time from other luxuries—which are illustrated by gas and electricity, call-bells and telephones throughout.

The kitchen—oh, well, that's a small matter.

All you have to do is to lay in bed, press the button and the gas and coal ranges do the rest—that is, if the lady has permitted any "rest" to get away.

Cartmell extracts teeth without pain.

Messrs. Paul Heflin of Flemingsburg, Worthington & Cochran and Slatery & Sallee of this city have been engaged as counsel for defense and Hons. W. C. Halbert of Vanceburg and W. G. Dearing of Fleming for the prosecution in the Thacker damage suit to come up in the United States Court at Covington next week.

Some Reasonable Advice.

It may be a piece of superfluous advice to urge people at this season of the year to lay in a supply of Chamberlain's Cough Remedy. It is almost sure to be needed before winter is over, and much more prompt and satisfactory results are obtained when taken as soon as a cold is contracted and before it has become settled in the system, which can only be done by keeping the remedy on hand. This remedy is so widely known and so altogether good that no one should hesitate about buying it in preference to any other. It is for sale by all Druggists.

The debt on the Church at Pleasant Ridge was entirely wiped out Sunday.

The young men and older of advanced taste want a long and generously loose Overcoat this fall. It can be worn with or without a belt. You will find nothing smarter this season. The fabrics we offer for your choice are plain, striped, plaid and mixed Cheviots, black and oxford Cheviots and Friezes; also the famous Cravenette rainproof fabrics in light and medium weights. All of these are Rochester-made goods. Our reason for quoting so often our Rochester-made goods is that we have handled clothing made in all the different markets in the country but never any that are as satisfactory to us as Rochester makes. We can fit him out from the best boys' apparel in the city at prices that are the lowest that can be asked for dependable clothing. The Godalmighty(?) set at Frankfort are condemning poor old Bill Thorne for pardoning Buchter. Was this pardon any worse than that issued to Jo Raleigh of Breathitt county for the murder of little Samantha Aikman, a child of fourteen, shot brutally through the back of the head while she ran to escape criminal assault at the hands of her assassin? Beckham granted this pardon, and now along with that dear Hager, Haley, et al., is lambasting old Bill for turning old Buchter loose. Nice crowd this.

A Judicious Inquiry.
A well known traveling man who visits the drug trade says he has often heard druggists inquire of customers who asked for a cough medicine whether it was wanted for a child or for an adult, and if for a child they almost invariably recommended Chamberlain's Cough Remedy. For sale by all druggists.

DOWN IN CUBA

Maysville Man Advises Mason County People to Stay in "Old Kentucky."

THE LEDGER takes pleasure in printing this sensible letter, received from a sensible man—

HAVANA, October 7th, 1904.
Dear Tom: Last month I was sent down here among Uncle Sam's wards to look into some fruit-growing propositions. Have been over to the Isle of Pines, and am now investigating the Havana neighborhood and Westward to Bahia Honda and Herradura. Many Americans have come here and engaged in business in Havana or bought farming lands, which are to be had at low prices; but in my opinion Old Kentucky is nearer Heaven than this country is, and to all who think of investing in orange grove lots, or other schemes of the land promoters down here, I would say don't—for Heaven's sake, don't—but come down and see the conditions that obtain here.

A Northern man can have no idea of the difficulties of farming here, where vegetation grows rankly all the time and the rainfall is 60 inches or more per year, and sometimes 2 inches per hour.

The farmers are now preparing the ground for tobacco, which is set out this month and cut in December and January. The ground is so beaten down by the rains and matted with grass that it is sometimes necessary to plow it seven or eight times in order to get it in condition for planting.

The American Tobacco Company has bought out recently the Henry Clay & Bock Company, and pretty well control the prices of leaf tobacco here. They have large tobacco plantations in Cuba, and I am informed by a great deal in the market; but 25 cents per pound is about the topmost price to the farmer. As an acre produces only from 100 to 700 pounds, one can readily see that the Cuban planter has no great advantage over the Kentucky farmer.

Oranges are being planted by thousands of acres in Cuba, mostly, I believe, along the Northern coast where water transportation is convenient; but what is to be done with the crop when raised is not so apparent. Some Havana merchants, whom I interviewed, tried shipping oranges to the United States, but lost money in the business and quit.

There are people here, however, from the States who are making a success of farming, and are well satisfied with their condition. They

came and bought land suitable for their purposes, and did not fall into the snares of the promoters, which are set on every hand to catch the unwary.

There are no bearing orange groves on the Isle of Pines. A few thousand trees have been planted, and with plenty of fertilizer will, in all probability, bear well; but one might as well have an orchard in Timbuctoo for all the prospect there is to move the crop when raised.

The talk of those interested in selling land thereabout that island being soon to come under the control of the United States appears to me to be extremely silly. She is tied to Cuba's apron string good and strong, and don't you forget it.

If this letter should be the means of saving some hard-earned dollars to any of my Kentucky friends I shall be abundantly satisfied; not forgetting that he who is continually "playing the races" would just as well invest his money in orange groves as on the track. Very truly yours,
W. C. FELHAM.

KICKERS' CORNER

If any one at any time for any reason has any cause to "kick" in any way at anything of any kind, here's the place to say his say. The door is open—walk right in and help yourself, free gratis and for nothing—but don't make your "kicks" too long—it's the short, quick fellows that count—and out.

The name of the kicker must accompany the kick, or it'll be kicked into the waste-basket.

YOU EXPECT TOO MUCH.

Editor Ledger: Evidently the party who wrote all were pleased with the "Twelfth Night" farce didn't hear the uncomplimentary expressions from the "ladies of the house" as they passed out. There never was a more complete swindle than that practiced Monday night, and shame upon those who fear to denounce the fraud.

[You mustn't expect a Julia Marlowe entertainment brought to your own door for a \$5. When you want to see a performance of that standard, you must pay \$2.95 railroad fare, a \$3 hotel bill, and \$1.50 for a ticket—a total of \$7.45—to say nothing of the time lost.—Ed. LEDGER.]

Ancient Lovers!

Are invited to view the specimen of antiquity now upon exhibition in John I. Winter's Show-window, Maysville, Ky.

Queen Cleopatra

May have owned this piano for all we know. At any rate it is a rare antique, with the most exquisite inlaid work we have ever seen. When one realizes the patience and tireless energy devoted to arranging these minute particles of different colored woods into artistic designs we begin to appreciate this ancient craft.

All handwork and done by a master. Hoping this exhibit will afford you pleasure, we are, yours truly,

WILSON—IRWIN.

Mr. Bruce L. Wilson, aged 24, of Trinity, and Miss Florence M. Irwin, aged 23, of Vanceburg, were married yesterday at the residence of Mrs. George Jones in Court street, Judge C. D. Newell officiating.

After the ceremony the newly wedded couple left for Flemingsburg on a short visit, after which they will take up their residence at Trinity.

SOCIAL EVENTS

One of the most brilliant as well as most cordial receptions ever given by the Third Street M. E. Church to a Pastor was that extended to Rev. M. A. Banker, who has just been returned to this Church for another year.

The reception took place last evening in the Sunday-school room of the Church. The Ladies' Mite Society was the originator of the reception, and when it undertakes anything it is always a success.

The room was very tastefully and artistically decorated for the occasion. Beautiful evergreens and branches of autumn-tinted leaves were used in the decorations.

The Church was crowded with the members and friends. Several visiting Ministers were also present.

Major M. C. Hutchins, in his usual happy way, delivered the Address of Welcome, which was responded to by Rev. Banker in his usual earnest way. Remarks were also made by Rev. C. F. Evans of the First M. E. Church, South. A letter of congratulations from the Presiding Elder, Rev. F. W. Harrop, was read.

Delicious refreshments were served during the evening, and O'Brien's superb Orchestra discoursed some of its sweetest music. Miss Virgie Wetzel delighted the crowd with her violin solos.

Altogether it was one of the happiest social occasions that ever took place at this Church, and they start off the new year with the determination of making it the best in the Church's history.

Insomnia and Indigestion Cured.

"Last year I had a very severe attack of indigestion. I could not sleep at night and suffered most excruciating pains for three hours after each meal. I was troubled this way for about three months when I used Chamberlain's Stomach and Liver Tablets and received immediate relief." Says John Dixon, Tillamook, Ontario, Canada. FEARIS.

The creeks, wells and springs are about all dry.

The farmers will get done cutting corn this week.

As to wheat seeding, the farmers don't like to sow in the dust.

The farmers will have to feed their stock, as the pastures are all drying up.

Born, on the 19th inst., to the wife of Thomas Tully of this place, a fine boy baby.

Mr. George M. Tolle and wife of Trinity were here Friday calling on friends on legal business.

Mrs. Georgia Cole, son and daughter have returned from Bethel and are visiting relatives near McKeazie. They will return to their home near Winchester, Ky., Thursday.

Much sickness in the country now. Mr. T. M. Rea is on the sick list and Mrs. Emma Dunbar is reported worse.

Some person or persons, with more depravity than common cowardly ease, shot a hole through the new door of our schoolhouse. That's a fine, nice way to build up the morals of a community.

Several of the old boys of the Seventieth Ohio Volunteers are expected to attend the reunion of the Regiment at Winchester, O., October 20th and 21st. Yes, let us meet when we can, old Vets: the time is short when we cannot meet here.

Personal

Mrs. Emma D. Weimer of St. Louis arrived last night on a visit to her mother, Mrs. Minaie Gunn of East Second street, and other relatives.

Mr. and Mrs. George N. Harding returned last night from a visit to Cincinnati. They were accompanied home by their daughter, Mrs. Gertrude Fetters.

Rev. R. E. Moss and Mr. J. T. Kackley left this morning for St. Louis as representatives to the National Convention of Christian Churches which convenes in that city today.

The fishing season is at its best and quite a number of business men of the city find recreation in taking a pole and line and bailing themselves to the wharfboat or the lee pier where they spend an hour or two in angling for fiddlers. One gentleman caught sixty of the finny tribe in a few hours. The sport is great.

Mr. C. J. Arthur of this county has bought 156 acres of the R. A. Thompson land in Nicholas at \$62.50 per acre.

THE GREAT QUESTION IS WHY TRAXEL'S BREAD

And Candies are the best?
For the reason that he knows HOW to make them. Other makes of bread would be just as good if made right, but it happens that they do not.
Traxel knows how to make good icecream, too; brick or any kind you want.

IT'S FOOLISH

To Ignore Such Convincing Proof as
This Maysville Citizen Gives
You Here.

You may differ from your neighbors in many important questions of the day. Your opinions may coincide with those of the minority or those of the majority, and still you may be in doubt. But you can hardly be skeptical about the merit of Doan's Kidney Pills when you read such emphatic local endorsement as the following:

Mrs. J. W. Gibson of 113 West Fourth street says:
"The value of Doan's Kidney Pills is quickly made manifest by their use. I obtained relief at J. Jas. Woods & Son's Drugstore, corner of West Second and Market streets, and although my experience was not extensive it was because their curative powers were so quickly demonstrated that extended use was unnecessary. The quick relief from backache which was obtained from the use of Doan's Kidney Pills causes me to recommend this valuable medicine whenever opportunity offers."
For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.
